PHELPS STUDENTS GIVE BACK

Students volunteered last weekend at the Narenj Tree Foundation. The mission of the foundation is to provide emergency humanitarian assistance to displaced communities. Students organized and bagged clothing items to be sent to refugees.

We Asked Sophomore, Peter Weinstein, 5 Questions:

1. If you could live anywhere in the world, where would it be and why?

If I could live anywhere in the world, it would be somewhere nice and warm most of the year because I can't take the cold anymore.

2. What was your toughest accomplishment?

My toughest accomplishment was overcoming all the odds and becoming a

responsible young man.

3. If you could trade lives with someone, who would it be and why?

I would trade lives with Mike Trout so that I can experience what playing Major League Baseball feels like.

4. If you could have one superpower, what would it be and why?

If I could have one superpower, it would be to fly so that I can see everyone as ants.

5. If you could take one item with you to a deserted island, what would it be and why?

A water bottle so if I run out of water, I could fill it up!

PHELPS ANNUAL FUND

The Phelps Annual Fund raises money for the daily operation of the school, covering costs that tuition alone cannot meet. We rely on gifts from individuals, foundations, and corporations to help balance our operating budget. We need your help to realize our goal. We hope that as a family or friend connected to Phelps, you will consider giving as generously as you are able. Your gift does make a difference to our success. While tuition provides most of the income needed to meet expenses, the Annual Fund provides a tax-deductible way to contribute to the same operating budget.

For additional information on how you can contribute to the continued growth of The Phelps School, please contact the Advancement Office: 610-644-1754 or advancement@thephelpsschool.org.
