The Lion's will advance to the Tri-County Independent School Championship Game to defend their crown! The game takes place tonight at Neumann University against Perkiomen School.

The varsity team had a successful night against neighboring rival, Malvern Prep. the Lion's played hard and came out victorious last evening with a win over Malvern 66-61. The

PHELPS ANNUAL FUND

The Phelps Annual Fund raises money for the daily operation of the school, covering costs that tuition alone cannot meet. We rely on gifts from individuals, foundations, and corporations to help balance our operating budget. We need your help to realize our goal. We hope that as a family or friend connected to Phelps, you will consider giving as generously as you are able. Your gift does make a difference to our success. While tuition provides most of the income needed to meet expenses, the Annual Fund provides a tax-deductible way to contribute to the same operating budget.

For additional information on how you can contribute to the continued growth of The Phelps School, please contact the Advancement Office at 610-644-1754 or advancement@thephelpsschool.org.
