## Winter Storm Stella Brings Snow, Ice and A Day Off For Phelps!

We may have turned our clocks ahead on Sunday in preparation for Spring, but Mother Nature decided to give us one last taste of winter. Winter storm Stella brought snow, ice and blizzard conditions on Tuesday. Due to the strong winds and icy roads, all classes were canceled. Students enjoyed the opportunity to sleep in and stay warm. Brunch was served by our dedicated chefs and our terrific maintenance team worked all day keeping sidewalks and driveways clear for the safety of the community. Classes resumed on Wednesday. Let's hope Spring weather is just around the corner!

Mrs. Hemler will be holding another Instagram Photo Contest over the next two weeks. Students can submit Phelps-related happenings and she will post the picture. The student with the most "likes" wins a gift card to Anthony's Restaurant in Malvern. Good luck and have fun!

**PHELPS ANNUAL FUND**

The Phelps Annual Fund raises money for the daily operation of the school, covering costs that tuition alone cannot meet. We rely on gifts from individuals, foundations, and corporations to help balance our operating budget. We need your help to realize our goal. We hope that as a family or friend connected to Phelps, you will consider giving as general support to the school. Your gift provides the needed resources to the school.
