SPRING COMMUNITY DAY OF SERVICE

This Friday, April 28, the Phelps faculty and students will participate in a day of community service and fellowship. The day will begin with cultural presentations in the auditorium followed by service projects to help beautify our campus. After lunch, our final field day will take place on the athletic fields. Thank you to Ms. Merkel and the National Honor Society (NHS) for organizing this special day.

NHS Inductees

By: Ms. Merkel

On Thursday, April 27, The Phelps School's Chapter of the National Honor Society (NHS) welcomed four new members! The National Honor Society is a renowned organization that recognizes students in four main areas of excellence: scholarship, leadership, character and service. The ceremony began with a single candle being lit to represent the emblem of the National Honor Society. As members of NHS explained one of the four areas of excellence, an additional

candle was lit. After all five candles were burning, students were called up to sign our official Chapter registry and to receive their tokens of membership. The four young men that have been welcomed into the Society exemplify these four areas in their daily lives here at Phelps. Congratulations to Harrison Buckley, Liam Kiser, Eric Nguyen, Sebastian Salazar on a job well done and an honor certainly well deserved!

Also, congratulations to our existing members, listed below, who continue to uphold the four areas of excellence:

Nicholas Brestle, Kwaku Bruks, Will Einstein, Mike Ji, Khasim Mumin, Henry Qian, Bryant Robinson IV, Manasseh Small, Neville Smith, David Xu, and Nathan Yao.

Keep up the great work gentlemen!

Neville Smith Signs With SUNY Polytechnic University!

Neville will play basketball and is enrolled in the Civil Engineering Program.

SMALL SCHOOL. INDIVIDUAL ATTENTION. BIG WINS.

Education. It's personal.

The Phelps School prepares young men for college and for life. Our boarding and day school provides a customized learning experience for boys in grades 6 through 12/PG, who thrive in a small, nurturing and structured environment. The Phelps School empowers each student to reach his highest potential academically, individually and socially, **because at The Phelps School, we know that education is personal.**

Join us for our Open House. Prospective students and families interested in attending should contact the **Admissions Office at admis@thephelpsschool.org or 610-644-1754.**

PHELPS ANNUAL FUND

The Phelps Annual Fund raises money for the daily operation of the school, covering costs that tuition alone cannot meet. We rely on gifts from individuals, foundations, and corporations to help balance our operating budget. We need your help to realize our goal. We hope that as a family or friend connected to Phelps, you will consider giving as generously as you are able. Your gift does make a difference to our success. While tuition provides most of the income needed to meet expenses, the Annual Fund provides a tax-deductible way to contribute to the same operating budget.

For additional information on how you can contribute to the continued growth of The Phelps School, please contact the Advancement Office: 610-644-1754 or advancement@thephelsschool.org.
