Fall Festivities and Friendships

Our young gentlemen look forward to the annual Halloween Party & Dance on Saturday, October 21. They'll host the young ladies of The Purnell School and Linden Hall School for Girls.

A number of Phelps Family Association members will gather at the end of the week to prepare the Student Center for the night's festivities. If you are interested in lending a hand, please contact Ms. Margie Abraham at mabraham@thephelpsschool.org.

Portraits in the Park

On Wednesday, October 18, the annual Phelps School Family Photo session will again be hosted by Campli Photography of Malvern. For their formal pictures, boys will wear A-Dress (white shirt and tie, blue blazer). Seniors will also have a portrait in cap and gown. Parents will be provided a link to select and order photo packages. Now's a great time for a fresh haircut and shave!

The Academical Village

The AP US History class is studying different historical perspectives on the Revolutionary War. The debates get lively! Civics/Economics students are examining the articles of the constitution to see how our government was established. American History students, as representatives of the thirteen colonies, are working on a "travel pitch" project to attract new colonists to their region of the new country.

Preseason Peek at Basketball Prowess

The Varsity Basketball Team looked very strong in its preseason scrimmage with Rocktop Academy last Friday

during Parent-Teacher Conference weekend. Lions fans have a lot to look forward to in the months ahead!

Cross-Country Pride & Perseverance

Miles and miles of training are paying off. Phelps runners continue to cut their times and improve their pace each week. Next up is a league meet at Perkiomen on Tuesday.

Success on the Soccer Pitch

The Varsity's teamwork improves each week. With 3 wins in their last 4 matches, the Lions hope to continue their run with a victory on Saturday in an important league match at AIM Academy. Next week, they play at Barrack Hebrew Academy on Wednesday and at Germantown Friends School on Saturday (Oct. 21) to finish the regular season. Ahead: the playoffs!

Fall Afternoon Fun - *The Lions' Games*

We've had great weather for touch football and all sorts of competition on our expansive fields, as well as tennis on the newly re-finished courts. Fun with fiends and no devices. As it should be.
