

## *The Lion's Tale*

*January 5, 2018*

**Conversations and Connections** - Students in Ms. Walton's language arts classes began 2018 by playing *Vertellis*, Dutch for "tell us more." In the game's four rounds, students reflect on the past and consider how to make the coming year great. Boys have enjoyed sharing and hearing each other's reflections. The game is designed to help people connect more deeply - something especially important in an era of constant distraction and hurry.

### ***Lions in Winter!***

#### **Wrestling**

- Sat., Jan. 6 - at The Hill School

- Wed., Jan. 10 - at The Perkiomen School
- Fri., Jan. 12 - home vs. Covenant College Prep
- Sat., Jan. 13 - home vs. The Shipley School

#### **Student Leader Steps Up - *Phelps Helps Program***

Bryant Robinson, a junior in his third year at Phelps, has introduced a new community service project to our school family. With help from his faculty advisor, Mr. Wilson, Bryant has arranged for Phelps students and faculty to work with Safe Harbor of Chester County, a homeless shelter, in gathering donations of winter clothing, towels, toothbrushes, and other essential items. Each Saturday, students will help deliver items to the shelter. "I know we can't change the unfortunate circumstances that the residents of the shelter have to deal with, but I think we should still help in any way we can." That's POWER-filled leadership, Bryant. Thank you.

**Construction Update** - Gym walls are up. We can see outlines of offices and locker rooms. When the temperature rises a bit, so will a few more walls. . . .

---

**Weekend Activities**

Friday, Jan. 5 - Outback Steakhouse

Sat. Jan. 6 - Service at Narenj Tree Foundation

Sunday, Jan. 7 - Ultrazone Laser Tag

Friday, Jan. 12 - Mino Sushi
